

## Library Fifth Grade YouTube Assignment

**Overview:** Fifth graders will find a YouTube video demonstrating proper online behavior for their assigned topic and then create a Google Presentation to show the rest of the class what they have learned.

**Materials:** Student computers with internet access.  
Presentation computer hooked up to a projector.

**Instructions:** Assign students a topic relating to netiquette (e.g., cyber bullying, data vandalism, e-mail, online manners and protocol). Students will research the topic on YouTube (at least 2 videos) and create a 6-8 slide Google Presentation to share the information they gathered to the rest of the class. Sources must be cited with URL and date viewed.

**Resources:** YouTube and Google Presentation

**Rubric:** 20 Points Possible  
Finding 2 sources on YouTube 4 Points (2 points each).  
Restate information in a Google Presentation 8 Points.  
Proper grammar and spelling 4 Points.  
At least 6 slides 6 points (1 point each for first 6 slides).

**Standards:** Library.5.4.PC.3.A Recognize concept of netiquette (e.g., cyber bullying, data vandalism, e-mail, online manners and protocol).  
Library.5.2.CP.6.B Construct an original product that meets the task criteria.  
Library.5.2.EI.4.D Cite sources (e.g., title/author/copyright).  
Library.5.2.OI.5.A Transfer information into a prescribed format to accomplish task (e.g., outlines, graphic organizers, note cards).
