

Overview

In this [presentation](#), students in the class of 2017 will get an overview of what classes are available for their grade level for the following school year. They will learn what credits are required to graduate, and what courses they will be preselected to take. Students will complete a course request worksheet and return it to a counselor.

Materials

Course request worksheet.

Internet ready device and internet access.

Instructions

Follow along with the Google presentation and make notes on your course request worksheet. Complete the worksheet and hand it back to a counselor.
