

College and Career Readiness Education in New York City Assignment

9th-12th Grades

Counseling.9-12.AD.2 - Students graduate MCPS with the academic preparation essential to choose from a wide range of post-secondary options.

You have been accepted for enrollment at City College of NY. This is a big decision you will be a long way from home. It is expensive to visit. You have decided to do a Google Map Tour. Click on the YouTube link and learn how to navigate [Google Map Tour](#).

After the tour through your Google Drive find the maps app, click on it and type City College of NY in the search line. In the left hand corner of the screen, click on directions to explore how far different locations are from the school. In the lower right hand corner click the icon for explore to see different slide of locations. Click on the lower left hand corner link to see the satellite views and street level views of the locations. Click on the the pink locator pin to see views for a specific location.

Use these directions to complete the [Tour of New York City Tour quiz](#).
