Content: Counseling Curriculum
Topic: Academic Domain/ Standards 1,2,3/ Grade 9

In a 30 minute lesson, we will review strategies for successful completion of the 9th grade year as well as earning a diploma. Students will do a pre-test/information survey at the beginning of the lesson. After the 3rd meeting of the year they will take a post-test (same form). All 9th grade students at HHS will complete this task. Students will watch a powerpoint, receive instruction and participate in group discussion. No materials are needed by the students. No grading occurs. Instructor should encourage discussion and allow personal experiences to be shared. Verbal checks for understanding are appropriate.
